

Pick at least ONE Bible chapter to read, then after reading:

A—ACT.

What is the Holy Spirit telling me to do or act on in this passage?

B—BELIEVE.

How do my beliefs need to line up with what I just read?

I—INTERCEDE.

Take a few minutes and apply belief by praying for 3 people to be saved, delivered, or healed.

D—DECLARE.

As an act of faith—make declarations based on what you've just read—*example, "My friend will be saved!", "I am healed!"*

E—EXPECT.

Live in expectancy the rest of the day that God will do something great.
